25X1A The naval complex on the west edge of Ching-tao contains a submarine  
 base [REDACTED], a surface ship berthing area, a commercial port,  
 and a naval dockyard [REDACTED].

25X1A The submarine base contains 1 quay, 1 finger and 4 floating piers,  
 POL tanks, 3 bunkers, and 47 buildings.

The surface ship berthing area contains 2 quays, 1 mole, and 30  
 buildings. The commercial port contains 3 moles, a boat harbor, 8 piers,  
 1 marine railway, 11 boat repair ways, and numerous buildings.

The naval dockyard contains 1 graving dock, 1 marine railway, 1  
 buildingway, 1 T-head pier, 3 pontoon piers, and 41 buildings. In the same  
 harbor is a fishery/port area with 9 piers and a marginal wharf.
